

CONTEST & PARTICIPATION

DISCLAIMER AND RELEASE FORM

By their very nature BMX, Skateboarding, Micro Scooter, Inline Skating and mountain biking are exciting but risky activities, with the high possibility of accident and physical injury. No matter how careful the participants and Organisers are, no matter what safety equipment is worn, no matter what ramp, installation, street course or flooring is being ridden on or utilised for the particular activity, the risks cannot be eliminated. This being the case, we draw your attention to the following, which shall apply to the fullest extent permitted by the law:

1. Santa Pod Raceway (the Organisers) accept no responsibility for any damage, loss or injury of any kind, howsoever caused to, or suffered by any person using the Ramp Equipment installed (the 'facilities').
2. All users of and visitors to the facilities expressly acknowledge and accept the risks and hereby release the Organisers from any and all liabilities relating thereto, save for those liabilities that cannot be excluded or restricted under the compulsory requirements of the law.
3. All such users of and visitors to the facilities do so entirely at their own risk and hereby agree to indemnify the Organisers from and against any and all liabilities incurred by the Organisers, or claims against them, for damage, loss or injury to third parties, which are attributable to any act of such users or visitors, provided, and to the extent that, such is not caused by or attributable to the Organisers own fault.
4. All users of the facilities shall be entirely responsible for their own gear and the proper use and suitability of their own equipment and the Organisers accept no responsibility of their own safety equipment, and the Organisers accept no responsibility of whatever nature relating thereto. All users of the ramps, street course and any other of the facilities must wear a safety helmet that complies with health and safety standards.

The Organisers are permitted to use any photo or film footage of any rider/feature/area of their events for promotional use.

All users and visitors to the facilities will be asked to sign this form. By signing this form, the signatory expressly agrees and declares that he/she has voluntarily accepted all the matters, including all the risks, responsibilities and obligations, to which it refers.
